

A Message from
BILL GROGAN

Your CANDIDate
House of Delegates 68th District.

Bill Grogan Supports:

- A) Honest redistricting – no gerrymandering. Democracy demands an independent redistricting commission.
- B) Acceptance of the \$125,000,000 to extend unemployment benefits.
- C) Common sense funding for transportation. (for \$3.50 per month, you can maintain the roads, keep the rest areas open **AND** you can avoid the \$125 for the front end alignment.)
- D) Frugal Government. (It's what Jefferson would have wanted.)
- E) Sensible campaign finance laws.
- F) Term limits.
- G) A fair and simple tax system.

***Remember: The other guy spent a "mint" to get there (\$715,000);
I just give them away.***

Authorized by Grogan for the House.
